Maps

The GIS Division provides archived maps for download and purchase. Maps include general interest maps such as City Council Districts, Streets, etc. Please continue to check back for new and updated maps. Each map will be available for download in .pdf format to print on your own printer. Please contact the GIS Division to purchase larger copies.

Data

GIS data can also be purchased for the cost of reproduction. Please contact the GIS Division for this service. We are working on a way to access our data using web services. More information will be available soon.
